### Registration Information

#### General

An early registration fee of 425 GBP is available for those registering *on or before 22<sup>nd</sup> June 2007*. The late registration fee is applicable to those registering *on or after 23<sup>rd</sup> June 2007*. The late registration fee is 475 BGP.

In both cases, registration includes the following:

- Attendance at all sessions.
- Refreshments at all sessions.
- En-suite accommodation in the University of Surrey for the nights of Sunday 8th July, Monday 9th July, and Tuesday 10th July.
- The conference dinner on the evening of Tuesday 10th July.
- One copy of the conference proceedings.
- All other meals: evening of Sunday 8th, breakfast, lunch and dinner on Monday 9th, and breakfast and lunch on both Tuesday 10th and Wednesday 11th.
- Access to evening facilities for conference fringe sessions.

#### Deadline for authors

Please note that authors of papers (at least one author per paper) are required to register before **21st May 2007**.

#### Student Bursaries

A limited number of student bursaries are available, and are underwritten by WoTUG. To be considered for a bursary, you must fill in the relevant section on the registration form. You must be registered as a student at a Higher Education Institution, and not in receipt of a salary (either full, or part-time; but casual teaching and demonstrating is OK). We require written confirmation of your status as a student - for instance, a letter from your supervisor or institution. When we receive this, we will consider your application and inform you if you are eligible for the reduced registration fee. Bursaries are typically offered on a *first come, first served* basis. The cost of registration for those in receipt of a student bursary is therefore £325 for those before the early registration deadline, and £375 for those after.
